ATLANTA’S VOCAL PLAY GROUP “NATURALLY 7” TO RELEASE NEW BIOPIC

[Atlanta, GA, August 15, 2019] The Atlanta based group “Naturally 7”, who recently competed on the CBS Show “World’s Best” and is signed to **BMG Music Group**, is set to have a documentary entitled “**All Natural**” released about their music and rise to stardom. The film is produced by **Joe Howell**, Managing Partner of STAGE TEN MEDIA in Atlanta and award-winning songwriter, and co-produced by Nancy Howell, Producer of “The Promise” and Alicia Godmasch, Executive Producer of The Bigger Picture Films upcoming “**Planet X: Gold of the Gods**”. The documentary follows “Naturally 7” throughout Europe and the United States on tour as they discuss how the band was formed the creation of their sound “VocalPlay”. It discusses the realities that come with fame and touring and how it affects both their personal lives and the band itself. It interviews famous collaborators of “Naturally 7” like **Michael Bublé** and **Chris Martin** of “COLDPLAY”. In addition, it also explores the various levels of stardom in the industry. Finally, the film shows audiences how successfully the band is abroad in contrast to the United States and how they intend to break through the market here at home. It is a feel good and fun film that can encourage anyone in any industry on a journey toward success. The short documentary film will premiere at the **Bronze Lens Film Festival** on **August 23, 2019**.

Naturally 7 is a vocal play band based out of Atlanta and New York. For over 20 years, they have been touring worldwide and capturing audiences on every continent in the world. They have appeared on the Jay Leno Show, Ellen, Conan O’Brien, Arsenio Hall and have sang for President Obama. They were also the opening act of Michael Bublé’s concert tour for three world tours.
